

Lee District "Rules for the Road"

RULES FOR SUBMITTING CLUB PICTURES:

- Please send any special pictures you wish to contribute to our Photo Gallery to the Lee District President and the Website Manager. The picture should be attached to the email as a jpg file and no larger than 400KB. (Check your picture quality setting in your camera--make sure that the best quality is NOT selected as you will end up with big files that load very slowly.)
- Be selective and send only the best pictures--our photo album host will start charging us if we upload too many pictures.
- Be sure to identify the event and date!
- Please DO NOT send pictures pasted into the email as the quality becomes compromised for website usage.
